

# Do you suffer from Cardiovascular disease (CVD) and Erectile Dysfunction (ED)?

**Looking for more information on ED treatment options?**

**It's important for men to understand the connection between CVD & ED**

**Did you know:**

- ED can be an early warning sign of heart problems<sup>13</sup>
- 40% of ED cases are the result of vascular problems<sup>14</sup>

**Attend a FREE Men's Health Seminar:**
